THIS WEEK'S PROGRAM

Our new Executive

President **Judy Shepley** started her term of office with a new and energetic approach. This lady is comfortable giving orders and she had the finemaster on his toes early in the game. She also had the birthday boys and girls up front and with a cake and a job – to blow out the candles.

Judy gave us a taste of what is to come by introducing the new executive and then having each of them describe their duties and goals for the coming year. *The Spokesman* will not go into details here as we were tasked with providing a full written accounting next week once all is finalized and typed up.

The theme for this year will revolve around fellowship, fun, and growth. It was unsaid, but I have the feeling the key words “hard work” were tacit but evident.

Members who propose new members will receive stars, just like in school - so get busy. Your current Assoc. Editor will get the first star for a new member proposal today. See official proposal in this issue.

Classified section:

Editor wanted – we have an exciting opening for an aspiring editor wishing to add to his/her resume by writing, illustrating, composing, printing, folding, stuffing, stamping and mailing the award winning club newsletter – *THE SPOKESMAN*.

Benefits include experience photographing subjects, downloading and editing photos, keeping track of mailing lists and being on top of all club events. Incumbents will practice spelling skill, improve their memory for member names.

The pay is minimal but as a fringe benefit the editor gets a club camera and printer. Next year a club automobile is being considered. You will not be alone in this job; many members are prepared to tell you how to do it. Replies in writing please, we want to check your spelling.

Volunteers are needed for helping with the float and as parade marshals (traffic cops) for the August 06 parade. As this will be a Centennial Parade for Rotary a special effort is planned and also all other Rotary Clubs on the island have been invited to participate.

Meeting Notes & Announcements

• President Judy read a really nice letter that the club received from **Russ Irish**. Unfortunately it was Russ's official resignation from the club. Of course we all knew it was coming as the Irish family is moving away.

• **Today's Guests:**

Robert Sugmeister was a guest of **Lawrence Lewis** and **Michelle Hanna** and **Kip Napier** were guests of **Dave Hanna**. Kip is a friend of Michelle's who she met while on a student exchange. Kip calls Lower Hutt on the North Island of NZ home.

• **Mary Larson** was discouraged to report an attendance of 59.3%. The reasons for the poor attendance were not apparent unless **Scotty MLaren**'s new hair color scared them away. According to Scotty we haven't seen anything yet. Next it will be green and then it will be gone. Good move Scotty, I got rid of mine a long time ago and it is so convenient to look after and so attractive to the opposite sex.

• **Brian Shaw** wants to know if there is any interest in a fishing derby. There are no details yet; these will be developed if there is any interest. Your editor proposes a shark fishing contest, as I know I can catch them. *K.P.*

•New member proposal by Keith Price.

Mr. **Gerald (Jerry) Dennison** is a recent arrival in Campbell River from Regina. Jerry worked most of his career in education, first as a teacher, later as a school Principal. Jerry has been a Rotarian in Regina and would like to continue his contribution here in Campbell River. Some of you may remember Jerry from the Pancake Breakfast where he volunteered to work even though he is not yet a member. Proposed Classification is Education Administration (retired).
