| 11:30 a.m. - 12:30 p.m. | Closing, DG Bob Lovely |

By JOHN ARMENIA, Editor

Suc-ces-sion 1. The sequence in which one person after another succeeds to the title, rights, duties, and dignity of another. 2. To replace, to follow in office, in time and order.

Success and succession for Rotary began on February 23, 1905, when Paul P. Harris called three friends to a meeting to kindle fellowship and a sense of community. The name "Rotary" was chosen that day and the wagon wheel emblem later that year. By the end of 1905, Harris' Chicago Club had 30 members. The second club was formed in 1908 half a continent away in San Francisco, California. Rotary became international in 1910 when a club was formed in Winnipeg, Manitoba, Canada. By 1921 there was a Rotary Club on every continent.

Assembly 2001 is especially significant because this month Rotarians celebrate the 95th Anniversary of Rotary. Yes, the vision of Paul Harris of a club that would kindle friendship among a cross-section of members of the community has grown into a 21st Century global association of 1,176,169 members in 29,968 Rotary clubs in 163 countries and 35 geographic regions.

DG Don Lachata
2001-2002

Succession is very evident at **Assembly 2001** because the next three governors will come from the ranks of the Assistant Governors: Governor-Elect Don Lachata has served as AG for Area 6; Governor-Elect for 2002-2003 Ross White is AG for Area 2B; and Governor Nominee Bill McCarthy, who will be Governor in 2003-2004 was AG for Area 9.

Succession is the purpose of a district assembly, for it is a meeting of the incoming presidents, secretaries, and other designated club leaders of all clubs in the district with the incoming district governor and his/her leadership team. It is both a training and strategic planning activity. It is the district's instructional academy for its current and future leadership, as well as a joint sharing of local, district and international plans, goals and activities.

District 5020 is one of the largest districts in the world. Our membership is nearly 5000 members in 77 clubs. It is over 600 miles between the North to South of our district that spans Washington State and Vancouver Island B.C. Canada. Therefore, our club leaders need to come together once a year to prepare each other and our district leaders for the challenges of the 21st century.

This month we will honor the contributions of the late Fred Bossom, and continue to work to achieve DG Bob Lovely's and RI President Frank Devlyn's *21st Century Challenge* and Action Year 2000-2001 goals. This month we will celebrate the 95th anniversary of Rotary. This month the leaders of our district and our Rotary clubs will *rendezvous* in Victoria for our Leadership Assembly to prepare for the Action Year 2001-2002. The Assembly is an important event for DGE Don Lachata and the Assistant Governors of the 11 geographic regions of our district.

IN MEMORIAM

Fred Bossom

5020 Governor-Elect 2001-2001

b. 1931—London, England
d. Jan 15, 2001—Comox, B.C., Canada

(For a biography of Fred Bossom, see the January 2001 issue of *The Governor's Newsletter*)

Words to grow by...

"It is seven times easier to keep an existing Rotarian than to bring in a new one."
 —R.I. President Frank Devlyn

A Message from the Governor

Lovely thoughts and other things!

Rotary's loss was heaven's gain when *Fred Bossom* passed away last month. I can't recall meeting a finer gentleman nor one who exemplified *Service Above Self* as did Fred. Fred has left a legacy for all of us to live up to.

One nice thing about being an international district is that is just that much easier for us in 5020 to work towards World Understanding. Since February is *World Understanding Month* in Rotary, I thought it would be helpful for us to review the activities going on in our District that help build on that theme.

Did you know that our District has the largest *Youth Exchange* program in all of Rotary? Well, we do and the committee is ably headed up by *Bill and Marny Hannan*. We also participate in building World Understanding via participating in two *Group Study Exchanges* each year. *Dick Zamjahn* does yeoman service as chair of this committee. We have a very *active Friendship Exchange* program headed up by *Fred Collins*.

Every one of these committees is comprised of excellent participating Rotarians from both sides of the border. Of course we are doing other things to foster understanding in the world as we build a hospital in *Latvia*, assist in supplying and educating youth in *Zimbabwe*, build bridges in *Viet Nam*, provide medical assistance in unheard of places around the world, provide fire fighting equipment in *Latin America*, provide humanitarian aid during crises such as the recent earthquakes and many others.

But, how many of your members know about these projects and are your members involved in helping? Not just by providing money, but in looking for opportunities, writing grants, traveling to potential project sites. Do they know that there are funds available from the Foundation to help do this? Probably you do and a few your members do, too. I'd like to suggest you have at least one program this month that focuses on the things we are doing and how your members can participate.

Throughout the district, almost every-

DG Bob Lovely

one comments on how they enjoy and appreciate the internationality of our district. Now is the time to reach out and extend our internationality by *Creating Awareness and Taking Action*. Speaking of creating awareness, did you know that there is a philanthropist (Mr. Alan Feinstein of Rhode Island) who is offering \$1 million in matching funds that are do-

nated to hunger and food kitchen programs during the months of March and April? If your club has a program already, or is contemplating one, let me know and I can provide you the details. This may be a way to do even more. Ask me about the "HungerPlus" program. (Note—as best as I can determine, this is only being offered in the US.)

Ramblings: It was a proud moment at the Bainbridge Island club January 24 when I was able to assist in inducting 5 new members into the club, present a new Paul Harris Fellow and present a Major Donor crystal....Congratulations to *Ross White* and *Bill McCarthy*, our new District Governor Nominee (DGN) and District Governor Nominee Designate (DGND) respectively....

More ramblings: A major thanks to the nominating committee and those who allowed their names to be submitted to the nominating committee. Did you know??? We are fairly unique in our approach to selecting upcoming district governors. Most districts rely exclusively on past district governors to select the new DGs. Our district does it by having seven members from throughout the district, with only two being DGs....

And more: Who's in the running for steak and who will be eating beans for breakfast Sunday at the District Conference? You'll want to be there just for the fun of it. Remember, the Areas that come up with the most \$ and \$ per capita will eat steak that day along with the Area or club the DG determines has the most unique "Foundation Fracas." Of course, so will all Paul Harris Fellows and Benefac-

See **GOVERNOR'S MESSAGE**, page 6

Then and Now: R.I.'s 95th anniversary finds the 'sapling' has grown into 'a mighty tree...'

From humble beginnings, Paul Harris' "new idea for a club" now spans the globe offering Service Above Self

In the beginning, although Paul Harris was the founder and organizer of the first Rotary club in Chicago in 1905, the man selected to be the first president was one of the other founding members, Silvester Schiele.

By the year 1910 there were 16 Rotary clubs which linked up as an organization called the National Association of Rotary Clubs. Two years later the name was changed to the International Association of Rotary Clubs as Rotary was organized in Winnipeg, Canada and then in England, Ireland and Scotland. In 1922 the name was shortened to Rotary International.

When the first organization of Rotary clubs was created in 1910, Paul Harris was selected as the first president. He served in this position for two years, from 1910-1912. Thus, the founder of the Rotary idea, who declined to be president of the first club, became the first president of the worldwide organization, Rotary International.

Did Paul Harris ever imagine Rotary would grow from an oasis of friendship and service in a single city to become a global force for improving people's lives?

"No, I did not in 1905 foresee a worldwide movement," Harris remarked shortly before his death in 1947. "When a man plants an unpromising sapling in the early springtime, can he be sure that someday here will grow a mighty tree? Does he not have to reckon with the rain and sun—and the smile of Providence?

Once he sees the first bud—ah, then he can begin to dream of the shade."

Within the ebb and flow of human needs, Rotary vigorously continues to walk the Four Avenues of Service. Rather than drop anchor and declare, "We can stop here, we've done our part," the organization has pressed ahead to serve others on a wide front.

This flexibility is a recurring feature in

A 1945 photo of Rotary International Founder PAUL HARRIS in his office at RI Headquarters in Chicago.

PAUL HARRIS plants a tree during a visit to Asia in 1935

The original four Rotarians: (l-r) SILVESTER SCHIELE, founder PAUL P. HARRIS, HIRAM E. SHOREY, and GUSTAVUS E. LOEHR.

the contour of Rotary service. Indeed, Paul Harris himself never envisioned Rotary as a static organization.

"This is a changing world; we must be prepared to change with it," he once observed. "The story of Rotary will have to be written again and again."

A Brief History of ROTARY

- 1905: First Rotary Club organized in Chicago, IL
- 1908: Second club formed in San Francisco, California
- 1910: First Rotary Convention held in Chicago
- 1911: *The Rotarian* first published
- 1917: Arch C. Klumph proposed creation of an endowment fund.
- 1928: The fund grows to \$5739 and is renamed The Rotary Foundation (TRF).
- 1930: TRF first grant—International Society of Crippled Children, \$500.
- 1933: 4-Way Test formulated by Herbert J. Taylor of Chicago
- 1945: 49 Rotarians help draft United Nations Charter in San Francisco
- 1947: Paul Harris dies, first 18 Rotary scholarships granted
- 1957: TRF Paul Harris Fellow recognition began for donors giving \$1000
- 1962: First Interact club formed
- 1964-66: TRF contributions exceed \$1 million, Matching Grant, Group Study Exchange programs begin
- 1978: Tokyo Convention has 39,834 registrants—most ever; Health, Hunger and Humanity grants (3-H) begin
- 1984-85: TRF contributions climb to \$24 million, PolioPlus program officially becomes a separate TRF program
- 1989: Council on Legislation opens Rotary to women
- 1990: Rotary Club of Moscow chartered—first club in then Soviet Union,
- 1993: RI Convention in Melbourne saw 500 millionth child immunized against polio
- 1994: Permanent Fund initiative begins
- 1998: Total TRF giving passes \$1 billion
- 1999: 10,000th Matching Grant approved, total Grants exceed \$70 million to projects in 181 countries
- 2000: The Western Pacific joined the Western Hemisphere in becoming polio free, PolioPlus contributed \$375 M to protection, treatment and rehab of 2 billion children
- 2005: 100th Anniversary of Rotary, goal of global eradication of polio

News from Rotary International

Task Force Photo Display Project for Convention

President Frank Devlyn is planning for a major display of "success stories" at the Convention in San Antonio. This will be an exhibit of pictures of action projects conducted by the Task Forces.

We are looking for photographs of projects in action, with a very short caption of information about the project, clubs or districts and city or area in which it is happening. These pictures will be enlarged and mounted on a display wall by the RI staff. What we need now is action pictures of your projects!

- We are asking that all pictures be sent to Evanston by March 15.
- The pictures may be sent to Ms. Kathy Kessenich, Program Department, Rotary International, 1560 Sherman Ave. Evanston, Illinois, 60201 by mail or courier. They may also be sent electronically to her e-mail: kessenik@rotaryintl.org. The photographs may be printed or negatives.
- The pictures will be enlarged to the size of 24 x 30 inches. Consequently, the display will be large enough for Rotarians and guests attending the Convention to see and enjoy easily. A caption will be placed under each enlarged photograph.
- Each picture will have a "caption" which describes the Rotary action in the picture. It is important that you include the following information in your written caption: (1) Task Force name; (2) location of the pictured project or activity with (3) the name of the club or district; (4) brief description of what is happening.

—CLIFF DOCHTERMAN, General Chairman
2000-2001 Task Forces

Matched Clubs Task Force

Matched Clubs foster goodwill and understanding through such programs as Rotary Friendship Exchange, Youth Exchange, Rotary Volunteers, Rotary Fellowship Groups, Matching Grants, 3-H Grants, and Ambassadorial Scholarships.

There are two types of Matching Clubs: Local Matched Clubs belong to the same district or country. Many clubs in urban areas link up with clubs in rural areas and work together in addressing community needs. Foreign Matched Clubs belong to different countries and agree to team up for International Service Projects.

The Matched Club Task Force is your partner to assist clubs in finding and developing Sister Club agreements with one another. This group can be found on the Internet at <http://www.roti.org>. Click the "Sisters Sought" button to register.

SUCCESSORSHIP, continued from page 1

We encourage all club officers, new members and future club leaders to attend **Assembly 2001**. Our success as Rotarians is the result of our ability to care more than others think possible, dare more than others think safe, share more than others think practical, and do more than others think necessary.

Assembly 2001 will focus on *leadership training* and *membership growth*. The most effective way that we can strengthen Rotary's ability to do good in the world is by preparing our leaders to assume their titles and duties, and to infuse in our clubs with fresh ideas, youthful energy and enthusiasm possessed by women and men who are able to bring diversity and skills to broaden the service base of our clubs and district.

The primary unit for service in Rotary is the club, and the key person in the club is the president. Rotarians are first invited to membership because of their capacity for leadership and their current and past accomplishments as leaders. However, the role of leader in a volunteer organization is a real 21st Century Challenge. Therefore, it is essential that presidents-elect receive training at the **Assembly** and at **PETS**.

Beautiful Victoria, British Columbia will welcome Rotarians to District 5020's Assembly 2001 on February 10-11.

Rotary presidents share their club's leadership responsibilities with their committee chairpersons, directors and officers. It is also essential that all club officers attend the District's Leadership Assembly. Additionally we have initiated area mini-assemblies to prepare those unable to attend the district Assembly.

Assemblies are held annually in Rotary's world. To help accomplish Rotary's mission, leadership assemblies are held between February and July worldwide to provide club and district leaders with the training essential to envisioning the future and developing the necessary goals and action plans to achieve that future to fulfill Rotary's mission. Our District 5020 **Assembly 2001** is a rendezvous for caring, sharing and daring.

Assembly 2001 will be the first step we take in linking Governor-Elect Don Lachata's *JUST ASK* theme with RI President-Elect Frank Devlyn's theme, *CREATE AWARENESS AND TAKE ACTION*. **Assembly 2001**'s agenda and training sessions are the first in a series of training and planning meetings including the Presidents-Elect Training Seminar (PETS) and District 5020 Mini-Assemblies intended to provide all of us with the inspiration, basic Rotary knowledge, and opportunities for dialogue that are necessary in the preparation for our new and continuing leadership roles and responsibilities.

"A Guide for Rotary Leaders" (4th edition) has been continually improved and updated to include information about each Avenue of Service, the responsibilities of club and committee leaders, and effective operational procedures. It should be used in your club's training activities.

World Understanding Day celebrates 'the first step on the Path of Peace'

by FRANK J. DEVLIN
 President, Rotary International, 2000-2001

This month, we commemorate a very special anniversary...the birth of Rotary on 23 February 1905, known as **World Understanding and Peace Day**. During Rotary's 96 years of existence, we have accomplished milestones in service that even founder Paul Harris could not have envisioned during his lifetime. We have provided educa-

tional opportunities for thousands of international scholars, provided health care to tens of thousands of needy people, and made possible the immunization of millions of children against the crippling disease of polio. In less than the span of a century we have forged a powerful force for peace, built on the foundation of service.

To me, the magic of Rotary is its internationality. The incredible diversity of our organization is its greatest asset, and it is what distinguishes us from other organizations. Through international programs such as Youth Exchange, Group Study Exchange, the Ambassadorial Scholarships program, Matching Grants and World Community Service, we are able to expand our reach of service. Such service is the first step on the path to peace, because peace is rooted in the health and happiness of a nation's people. It is difficult to have peace when children go hungry, when parents lack a livelihood, when a country goes to war. I believe that Rotary can make a difference, even if it is one child at a time, one community at a time.

One of the greatest programs is World Community Service, which matches clubs and districts in need of assistance. Today, thanks to the Internet, clubs can contact other clubs and districts around the world in order to carry out a joint project. You can publicize a project in need of a partner by posting it on the Project Registry, via the World Community Service Resource Task Force, <http://www.frankdevlyn.org/wcs/register-project.htm>.

Other great resources are the Project Fairs, which help match clubs in need of a partner. These gatherings are invaluable in linking people who want to take action and meet face-to-face. One shining example is the first international Projects Fair held last May in Eastern Europe, organized by Halina Stepien, WCS chair of District 2230 (Belarus, Poland and Ukraine). This event, held in Kielce, Poland, attracted 100 participants and featured 107 projects. These fairs put the "action" into Rotary service, by helping to bring clubs together.

Rotary also has been successful in advancing international understanding and peace through our joint health initiatives with the United Nations and its agencies. Indeed, people have often compared Rotary to the United Nations, with its great diversity and striving to achieve a common good. Our greatest partnership to date has been working with the World Health Organization, UNICEF and other groups to eradicate polio. We are on the threshold of achieving this great dream...to see polio wiped out in our lifetime. With your continued support and vigilance through our PolioPlus Partners program, we plan to celebrate our historic victory over polio in the year 2005—Rotary's centennial.

This month, I encourage you to **CREATE AWARENESS AND TAKE ACTION** through the programs of Rotary to bring peace to the world. It may sound like a monumental task, but it is achievable in small steps. By taking these small steps, you will continue a noble journey that began with one man, Paul Harris, nearly a century ago.

Brazil, Finland send Group Study Exchange teams to Northwest

Group Study Exchange (GSE) Teams from Rotary districts in Brazil and Finland have sent videos and biographies in anticipation of their visits later this spring to District 5020 GSE Chair *Dick Zamjahn*.

Host families are being sought for the team members, who seek to experience everyday life in the Pacific Northwest as well as learn more about how their professions are practiced abroad.

The Inbound Brazilians will be visiting from April 23 through May 23. They will travel in the U.S. through May 8th, and in Canada through May 22nd.

The team from Finland will stay from May 12 through June 13. They will be in the States from May 12-17, in Canada from May 17-June 3, and again in the U.S. from June 3-12.

Lacey Interact Clubs

Lacey Rotary Club now sponsors four Interact clubs at North Thurston, New Century, River Ridge and Timberline high schools—more than any other club in District 5020 or in the Rotary world.

The term “interact” is derived from “inter” for international and “act” for action. Every Interact club must be sponsored and supervised by a Rotary club and must plan annual projects of service to school, community and world. Interact was launched by Rotary International in 1962. Today there are more than 6000 Interact clubs in 96 countries.

Interact Clubs provide opportunities for young men and women of high school age to work together in a world fellowship of service and international understanding. There are currently 18 Interact clubs in District 5020, with more being created every month. West Olympia Rotary is currently looking at creating a club at Capitol High School.

The first Interact club sponsored by Lacey Rotary happened in 1986-87 at Timberline High School. The fathers of that first club were Ken Balsley, Bob Wark, Fred Pierce, Larry Engel and Bill Bergquist, who along with West Olympia Rotarian Bill Bryant saw the need for Rotary to become involved at the local level with young people.

All of the 5020 Interact clubs are involved to a great extent in their school, community and in their world. Their lists of activities include Duck Dash, Salvation Army bell ringing, Day of Caring, fighting world hunger, Russian exchange, canned food drives, Bread and Roses, and dozens of other local and international projects.

—KEN BALSLEY

The Great Northern Rotary Shootout

Kip Sihota had big plans for the Great Northern Rotary Shootout college basketball tournament—plans that ultimately benefitted the local community.

The host Malaspina Mariners joined five other men’s hoop sides in the 3-day event, which took place last month.

“This is our second annual event and we’d like to see it become one of the biggest tournaments in Canada,” said Kip, a Nanaimo Oceanside Rotarian who serves as one of the tournament’s organizers.

“Long-term, we’d like to contact other Rotary clubs across Canada and see this grow into something really special.”

All proceeds from the event (admission to all games was by donation) were promptly given right back to the community.

“The concept is to teach today’s youth about Rotary and what it means to be involved,” said Sihota. “We’re an organization which is involved in making numerous charitable donations. You name it, we’re there.”

Five local clubs—Oceanside, Lantzville and Nanaimo north, downtown and daybreak groups—all work together on the tournament.

“Without all five clubs working together, we couldn’t do it,” said Sihota. “Everyone does a great job.”

“It’s a chance for people to see some excellent basketball and help the community as well.”

Other colleges involved were from New Westminster, Edmonton, Vancouver, Lethbridge and Hamilton, Ontario.

—NANIMO DAILY NEWS

Celebrating Family Week 5-11 February 2001

It is often said that children are the future of the world. Healthy and happy children are key to achieving Rotary’s goal of building international understanding and peace in the world. There is no better place to nourish a young mind than in a family whose basic needs have been met and who can spend time together.

Celebrate Rotary’s commitment to the family during the second week of February—and thereafter, too! Bring together mothers, fathers, children, grandparents, aunts, uncles, cousins, and members of your Rotary family into shared activities:

- Sponsor a seminar for new parents on child development
- Organize a father-daughter or mother-son dinner
- Promote a family literacy project that emphasizes parents reading to their children
- Raise awareness of child abuse prevention programs in your community
- Chaperone a safe and fun weekend activity for the community’s teenagers
- Volunteer at a shelter for homeless families
- Assist the elderly in nursing homes with simple crafts that they can give as gifts to their families
- Create a park or recreational area where parents can spend time with their children
- Provide materials and support to a daycare facility or orphanage
- Create an after-school activities program for older children which will give them a safe place to go while their parents are at work.

—ROTARY INTERNATIONAL

GOVERNOR’S MESSAGE, continued from page 2

tors. By the way, I’m using the term “fracas” loosely since it goes well with Foundation and rather than the literal “brawl” it’s meant to mean “a good but slightly rowdy time”....Encourage your president-elect, executive/board and committee chairs to accompany you to the District Leadership Training Assembly—great speakers, excellent topics and fun galore....

And finally: Remember that your clubs’ Presidential Citation activities must be completed and reported to me by April 1 in order to qualify. See page 27 of the Directory and District Resource for more details. I’d like to see 100% of the clubs in the District achieve this award. Send completed form 9001B-00EN-(1099) to me (Bob Lovely) - go for it.... If your club is contemplating submitting a request for a Matching Grant to The Rotary Foundation, remember that there is now a cut off date—March 31, 2000—for it to be considered during this Rotary year....

And one last thing - lead a cheer for me at your next meeting: 1-2-3 - It’s up to me! I’ll even pay your fine! (But I get to put a maximum on it!) Let me know how it goes. 123.
